2018 Husker Harvest Days Food Voucher Template

In an attempt to standardize the food vouchers for the 2018 show, the following template has been developed to create your company's food voucher and help the food vendors process the vouchers in a more efficient manner:

- 6 vouchers per sheet.
- Width of vouchers 2.84 inches.
- Length of vouchers 5.5 inches.
- Paper stock should be 80# cover weight coated one side.
- Please use the copy that shows an example template on page 2.
- Text, logo and image color choices are at all at the discretion of issuing company.
- Billing address and contact individual with phone number must be listed on the back of the voucher.
- See sample template on page 2.

Please send 20 examples of your voucher by August 17, 2018 to:
